Institutes of Health Sciences - 9th MOHEI Strategic Plan 2016-2020

Strategic Goal #7

ltems	Statements	Indicators
Main activity 2	Conduct joint research with various organisations	Number of joint research studies conducted
Sub activity 1	Determine the joint research areas with other organisations	Joint research topics exist
Sub activity 2	Develop research proposals in scientific methodology as per common scientific methodologies	Joint research proposals are available
Sub activity 3	Obtain ethical approval for the research proposals	Research proposals ethically approved
